

## TECHNICAL BULLETIN #133

**SUBJECT:** Survivair<sup>®</sup> SCBA, SAR Hip-Pac, and EBA Cylinder Valve Seat

**DATE:** February 19, 2010

**PRODUCTS AFFECTED:** Survivair<sup>®</sup> SCBA, SAR Hip-Pac, and EBA Cylinder Valves

This Technical Bulletin is to inform all Survivair Technicians that the 921014 cylinder valve seat has been redesigned. The new seat design is interchangeable with the old style. There is no change to the seat part number. See Figure 1 for the new seat design. See Figure 2 for the discontinued seat design.
